BUILDING A STRONGER PARISH

Our Parish continues to benefit from the support of Parishioners to keep it running. We would like to thank everyone involved, your time and efforts are much appreciated.

We are now seeking one or two new volunteers to help with the **stewardship of our buildings**. A recent survey kindly provided by a Parishioner has given us a starting point from which to programme and provide works to both improve our environment and help us ensure we remain a responsible place to worship in terms of health and safety, sustainability and so on. Initially we are looking for you to attend a meeting this Autumn to discuss the survey, prioritise work and agree action and further participation would be confirmed after that.

If you are interested and could potentially help we would be glad to hear from you ! Please speak to Fr Mark or drop a note to the Parish office. **No special qualifications required** but any prior experience very welcome!
